MESSAGE FROM THE SECRETARIAT

As we embrace the year 2025, it's important that we remind ourselves of our core business as Church—*mission*. We should always remember that the God we serve is a Missionary God whose desire is to see his people saved from their sins and reconciled with Him through His Son Jesus Christ. Since God is a Missionary God His Church, which is Christ's Body, is also expected to be a Missionary Church as it is a vessel through which God reaches out to the lost world with His love.

It is for this reason that in the year 2025, our preoccupation should deliberately be gravitated towards being involved in mission work. This means that mission should be prioritized in all our programs as congregations, presbyteries, institutions, and desks. Let us allow the light of the Lord to shine through us so that the dying world may find life through us, bearing in mind that we are the light of the world and the salt of the earth (Matthew 5: 13—16).

As we endeavor to prioritize our involvement in mission work, let us not forget to make use of our own Strategic Plan which will run up to 2026. Therefore, we wish to call upon all stakeholders and individual members to own and use the Strategic Plan as a tool for our effective service for the Lord.

The focus areas of our Strategic Plan such as enhancing spirituality, financial sustainability, visibility, and strengthening family bonds should become our way of life as we strive towards realizing our calling as a Missionary Church. Apart from that, good governance, involvement in human development, service and cross-cutting tools such as digitalization and networking should sponsor the Church to become more relevant and effective in communicating the Gospel without changing or compromising its content.

We are confident that in the year 2025 and beyond, the Reformed Church in Zambia will have more positive impact in the society and that the nation and the world at large will taste her good fruits to the glory of the Triune God—for we are Ambassadors for Christ (2 Corinthians 5: 20).
